FOR IMMEDIATE RELEASE

UPDATE - #1 and #2 Lane's Closure for Median Barrier Replacement Various Locations along Interstate 880 Spring 2016 through Fall 2018

Alameda County – Caltrans is closing the #1 and #2 lanes in both directions along Interstate 880 (I-880) southbound (SB) / northbound (NB) to replace 25 miles of median barrier starting in Fremont, CA and concluding in Oakland, CA. Speed limit restrictions enforced in the construction zoned areas along the I-880 corridor. There may be increased noise levels during the removal of existing median barriers. The work will be completed in approximately four phases, which are as follows:

- Phase 1 – Fremont Boulevard to State Route (SR) 84 / Decoto Road
- Phase 2 – SR-84 / Decoto Road to SR-92
- Phase 3 – SR-92 to Davis Street
- Phase 4 – Davis Street to High Street

- The #1 and #2 lane closures for both directions of I-880 SB / NB are being instituted Monday through Friday from 8:00 PM to 5:00 AM, except Saturdays ending at 8:00 AM.
- Reduced speed limits are enforced: motorists are required to reduce speeds from **65 miles per hour (mph) to 50 mph** in the construction zoned areas. Please pay close attention to posted roadway signs indicating the speed limits.

All work is to be completed weather permitting. Motorists should drive with caution through the work zone. Traffic fines are doubled in construction zones.

Detailed project information is available at: <http://www.dot.ca.gov/dist4/880medianbarrier/>.
